VISION

As a leading and internationally qualified institution in research and community services based on Science, Technology and the Art in tropical agriculture

PERSONNEL

Director

Dr. Prastowo, M.Eng

Deputy Director for Research

Prof.Dr.drh. Agik Suprayogi, M.Sc. AIF

Deputy Director for Community Services

Dr. Hartoyo, M.Sc

Secretary

Dr. Agus Oman Sudrajat, M.Sc

Head of Office Staff

Etang Rokayah, SE

MISSION

1. Improving research and community services (RCS) and upholding ethical and moral values towards academic excellence.
2. Developing research programs in the field of sustainable tropical agriculture which are applicable and usable in improving education quality and community welfare.
3. Developing community services programs based on research output which is relevant to the community needs and in accordance with IPB's competencies.
4. Supporting, facilitating, improving and developing collaboration and the RCS network, with national and international institutions, in an efficient, effective and transparent manner.

TASKS AND FUNCTIONS

1. Establish the directions and policies of research and community services so as to achieve IPB's vision, mission and objectives.
2. Conduct quality assurance in research and community services carried out by centers in IPB.
3. Arrange institutional work procedures of centers and among centers.
4. Coordinate RCS programs among centers.
5. Coordinate with the Dean regarding the research and community services programs conducted in each Department.
6. Facilitate administration and contracts for research and community services conducted in each Department.
7. Evaluate annually the performance of centers regarding the output and outcome of research and community services.
8. Advise on the establishment, termination and merger of centers.
